You need to have access to the ground progressing on the main mission, the man who fell. Throughout the game, you will find weapons that have a suffix connected to it at the end designated by the manufacturer of the Choose - MK 2, Hammersmith - II, T & L - Ultra and Joch - 2.0. These weapons are not really more powerful than their predecessors not suffixed. The reason why your damage seems to be superior is due to your level (they also fall on a higher level); A non-suffixed weapon of level 20 causes the same amount of damage as a suffixed weapon of level 20. It should be noted that combining costs increase based on the subsequent number of updates. A weapon falling on level 2 and is updated on level 2 and is upgraded by 18 levels will cost the player exponentially more than instead, finding a weapon on the level 18 and updating it by 2 levels. Popper Popper Long Guns N / A Burn, Automatic Power Rifle Sold by Percival Platt in Byzantium on Earth-2 to 6,080 bits.
